

BABL Refund Policy

Effective date: September 10, 2026

All membership dues are non-refundable

BABL membership dues — including your initial annual fee and any renewal payments — are **non-refundable**. This applies regardless of:

- How much of your membership term remains when you cancel
- Whether you have attended events, workshops, or used any community benefits
- Whether your membership ends because you chose to cancel or because BABL suspended or terminated it for a violation of our [Terms of Service](#) and Code of Conduct

There are no partial, prorated, or full refunds issued under any of the above circumstances.

Why we have this policy

BABL is a curated, referral-based membership community, and admitting a member reserves a limited spot in that community for the full annual term. Our no-refund policy reflects that structure.

Billing errors

If you believe you were charged in error (for example, a duplicate charge or an incorrect amount), contact us at billing@bablhq.com and we will look into it. This policy does not limit our ability to correct genuine billing mistakes; it means we do not provide refunds for cancellations, non-use of membership, or membership terminations.
